# **EXHIBIT 5**

### **AUTHORIZATION TO REPRESENT**

Client named below authorizes **Heenan Law Firm** ("Law Firm"), to represent Client in the following matter, and no other: **Trans Union Privacy Settlement Fund Post Settlement Claim.** 

Background More than ten years ago, numerous lawsuits were filed against national credit reporting agency Trans Union alleging that it had illegally sold information about you to "target marketers" who in turn sent you credit card offers and other offers of credit or insurance. Although it would be nearly impossible to be damaged from such action, the Fair Credit Reporting Act allows consumers to recover \$100 to \$1000 in statutory damages even for individuals who suffer no actual damages. Facing enormous possible statutory damages, Trans Union settled the case by establishing a \$75 million dollar fund and agreeing not to assert the 2 year statute of limitations against people who sued them before September 16, 2010. This agreement authorizes the Law Firm to sue Trans Union to try to get you the equivalent of statutory damages (\$100 to \$1000) from the settlement fund, plus attorneys' fees. You are in the group of person eligible to sue for your share of the settlement fund if you had a credit card or line of credit at anytime between January 1, 1987 and 2000.

**Joint Representation** Because of the commonality of legal and factual issues and relatively small amount of statutory damages available to each individual claimant, Law Firm intends to join together other people and file the lawsuit jointly. Law Firm will attempt to negotiate a global settlement whereby each client represented by Law Firm receives the same amount of statutory damages between \$100 and \$1000. It is possible that if you retained your own lawyer you might get a better result than if you are represented by attorneys who also represent others with the same claim against the same parties because Law Firm will pursue a group settlement rather than separate individual settlements. By signing below, you understand and authorize Law Firm to represent you along with others.

No Predictions of Outcome While Law Firm would not be investing its time effort and money unless it though it could recover something for you and for itself, and while there appears to be a large settlement fund set up to pay claims, Law Firm makes no prediction as to the outcome of this case. The litigation has been going on for more than 10 years, there is one group still appealing aspects of the settlement, there are other law firms asserting Post Settlement claims and the only defense waived by Trans Union is the statute of limitations. There are many uncertainties that make it impossible to predict an outcome to this litigation, or even a time frame for an end of this litigation.

<u>Authorization to Settle</u> Because of the relatively small amounts involved, the absence of actual damages claims, and the possibility that Law Firm may represent hundreds of individual claimants, and in order to facilitate efficient management of the case, Client authorizes Law Firm, without further authorization from Client, to settle Client's case for any amount that will get Client at least the minimum statutory damages of \$100.

<u>Other Counsel</u> Law Firm may associate other lawyers with Law Firm to represent claimants against the Trans Union Settlement Fund. In that event, such other counsel will be compensated for services under this Agreement. Client consents to the association of other counsel.

<u>Cooperation</u> Client will fully cooperate with Law Firm in pursuing Client's claims and causes of action described above, and will always keep Law Firm informed of the telephone numbers and street addresses where Client can receive telephone calls, mail, and deliveries from Law Firm. Client will complete the enclosed questionnaire accurately and completely. (Providing false or misleading information shall constitute automatic grounds for Law Firm's withdraw). Client will not meet or otherwise communicate with the Defendant(s) or any of its representative(s) or insurer(s) to attempt to settle or receive payment on any of Client's claims or causes of action described above without the consent of Law Firm; and will not settle or receive any payment on any of the claims or causes of action described above without the consent of Law Firm.

Payment of Attorneys Fees and Expenses Client authorizes Law Firm to pay all necessary expenses. Client will not have to pay Law Firm any fees or expenses up front. If and only if there is a recovery, expenses advanced by Law Firm will be prorated among all clients so that each pays only their fair share. If there is no recovery, you will not be responsible for expenses or fees. From any settlement, your pro-rated share of expenses will be reimbursed to Law Firm "off the top" and after that Law Firm will receive a contingency fee of 50% of any amounts recovered, i.e., any amounts recovered will be shared 50/50 between Law Firm and client. (For example, if the gross settlement is \$1000 per client, and your pro rata share

Case: 1:00-cv-04729 Document #: 892-3 Filed: 05/03/11 Page 70 of 82 PageID #:11487

of expenses is \$20, then Law Firm will first be reimbursed \$20 and then the remain \$980 will be split 50/50, or \$490 to you and \$490 to Law Firm.)

<u>Termination of Services</u> Client may terminate Law Firm's representation of Client at any time if Client wishes to do so by giving Law Firm notice in writing of that wish. Law Firm also will be able to terminate our representation if we ever wish to do so by written notice of our intent to withdraw so that Client will have an opportunity to retain other counsel.

<u>Limited Power of Attorney</u> Client agrees to and hereby gives a limited power of attorney to Law Firm to endorse your signature to any check payable to you and Law Firm in this matter. This power of attorney is granted solely for the purpose of depositing such payment in Law Firm's client trust account.

<u>Online Applicants</u> You understand your acceptance of the terms and conditions online constitutes your agreement to be bound by the terms and conditions set forth herein. Law Firm takes no responsibility for applicants who, because of technical difficulties or otherwise, unsuccessfully attempt to authorize Law Firm to represent them.

<u>Acceptance</u> Client has read this Agreement and Disclosure carefully, and understands it. Law Firm suggest to Client that if Client has any questions about this Agreement, Client should consult with another lawyer or law firm before signing this Agreement. By the signature below, Client accepts this Agreement.

\*PLEASE FILL OUT BELOW ACCURATELY & COMPLETELY TO ENSURE YOU RECEIVE YOUR SETTLEMENT CHECK.

## PLAINTIFF'S ORIGINAL PETITION

Plaintiff named above complains of Trans Union LLC, a foreign corporation which purposefully and regularly and systematically does business in this precinct, and shows:

- 1. Trans Union, LLC may be served by personal service upon its registered agent in Texas, The Prentice-Hall Corporation System, Inc., 211 E. 7<sup>th</sup> Street, Suite 620 Austin Texas 78701.
- 2. Plaintiff is a class member in a settled class action case, *In re* Trans Union Privacy Litigation, Case No. 00-4729, MDL #1350 (N.D. Ill.) (the "Class Case"). The Settlement Agreement in the Class Case was approved by the Court on September 17, 2008. Pursuant to the terms of the Settlement Agreement, class members could, if done on or before September 17, 2010, make a "Post Settlement Claim" by filing suit against Trans Union for the same conduct alleged in the Class Case, and Trans Union agreed not to assert the statute of limitations against a Post Settlement Claim.
- 3. Plaintiff adopts by reference as if set out *verbatim* herein all the factual allegations and legal causes of action set out in the Second Amended Consolidated Complaint filed in the Class Case (Doc.107), including, but not limited to the allegation that Trans Union

TRANSUNION LAWSUIT

willfully violated 15 U.S.C. 1681b, 1681e, and 1681b(c) and Plaintiff therefore seeks statutory damages, punitive damages and attorneys' fees pursuant to 15 U.S.C. 1681n, and all other relief requested in the Second Amended Complaint in the Class Case.

WHEREFORE, PREMISES CONSIDERED, Plaintiff prays the Trans Union be cited to appear as required by law and that after trial the Court award to Plaintiff actual damages, statutory damages, punitive damages, attorneys' fees and cost and expenses of litigation. Plaintiff prays for general relief.

Respectfully submitted,

Matt

As is clear from the Settlement Agreement and Releases, qualified PSC plaintiffs received lump sum payments and there was no separate payment of attorneys' fees or other provision for the payment of attorneys' fees.

Michael,

Did Heenan or Bingham provide you with, or did you request, lodestar support for Heenan or Binghams' fees?

Matt --

Below is a link to the Heenan Law Firm website which should take you to the form representation agreement. Also attached is a PDF of the only representation agreement we received from Mr. Bingham. I have redacted the personally-identifiable information within the document. Mr. Bingham forwarded the agreement in August

Case: 1:00-cv-04729 Document #: 892-3 Filed: 05/03/11 Page 80 of 82 PageID #:19497

2010 to ask if such an agreement would be sufficient proof of the attorney-client relationship for those clients for whom he intended to serve an informal demand PSC. However, Mr. Bingham apparently decided to file lawsuits on behalf of his clients.

Matt --

Trans Union has not "earmarked for attorneys' fees and/or costs" any of the amounts paid pursuant to the referenced settlement agreements. We are not aware of any specific agreements betweens Messrs. Bingham and Heenan and their respective clients regarding the issue. However, we previously obtained from Mr. Bingham a copy of a form representation agreement that he apparently was using with this PSC clients. We separately obtained from Mr. Heenan's law firm's website a copy of a form representation agreement that he apparently was using for the same purpose. As you and class counsel are well aware, those agreements provide for contingency fee payments to the lawyers. (Indeed, Ms. Wheelahan forwarded Mr. Heenan's form agreement to Judge Gettleman by her August 30, 2010, letter, and noted the contingency fee provision. In addition, the brief filed on behalf of you and other members of the Reimbursement Committee appointed by Settlement Class Counsel on August 25, 2010, also references and describes such agreements.) We do not know for certain but we assume that such agreements were entered into with the settling PSC claimants, and they may govern the recent settlements.

Michael.

Please confirm the amount of these funds that are earmarked for attorneys fees and/or costs. If you are don't know that information -- and if the Bingham and Heenan group refuses to explain -- then please confirm that for me so we can determine how best to proceed before Judge Gettleman.

Please consider this a meet and confer before we fie a motion with the Court.

Thanks.

Subject: Trans Union Settlements with Bingham and Heenan clients

#### Michael:

I have your letter of March 25, which states that nothing was paid to either Bingham or Heenan clients for their attorney's fees. But Paragraph 11 of the Release and Dismissal states that the clients are releasing all claims for attorney's fees, so the payments made included payment for releasing claims to attorney's fees.

I think the statement in your letter, that nothing was paid for release of attorney's fees, is obviously, and gratuitously, false. And I don't think the Seventh Circuit will be either deceived,

or amused, by your misstatement.

I think it is a violation of the requirements of professional and ethical responsibility to make misleading statements of that sort to other counsel. Trans Union will need to revise its statement—the one in your letter of March 25, 2011—to indicate that its payment to Bingham and Heenan included payment for release of their claims for attorney's fees. If you don't provide this, I'll have to file a motion for sanctions so that the record will reflect payments for attorney's fees to Heenan and Bingham, as the stipulation requires to be disclosed. Regards, Dawn Wheelahan
